

# LANCE THERON

Known for his **infectious energy** and **charisma**, **Lance Theron** is a versatile, **multi-faceted** DJ and producer from Cape Town, South Africa who has been DJing for more than a **decade** in and around the country as well as abroad. A **great entertainer** with an instinctual ability to read crowds and **adapt** to any genre of music needed to entertain his audience.

After the release of his debut single called **“Back To You”** featuring **SAMA & Metro FM-Nominated** South African artist **Chad Saaiman**, he soon followed up with one of 2016’s favourite songs, **“Higher”**. The second single was playlisted all over the country and made the charts on **5FM**, went to **#1** on **Goodhope FM** and received **great rotation** on most commercial radio stations in SA. The demand and interest remains as the song was **Shazam’d over 5000 times** by music lovers wanting to know more about Lance Theron.

Lance Theron’s star was most definitely noticed in 2016 as he played **several high-profile gigs** including **The City Of Cape Town’s** “Switching On Of The Lights” Festival to **80 000 people**, The **DSTV Mitchell’s Plain Festival**, as well as **KFM’s The Big Chill** and toured the city for the **Coca Cola Summer Sessions**.
