CHAD SAAIMAN

LLOYD JANSEN

With experience performing on stages in **Spain, Thailand, Seychelles** and throughout South Africa, the boys rise to any occasion. From touring with American R&B Star **Tevin Campbell** in 2016, to UK star **Phil Fearon**, to touring with **Brian McKnight** for his SA Tour in 2015, to performing to a sold-out Cape Town Stadium for the **HSBC Rugby Sevens 2016**, The Black Ties are always entertaining, and always having fun. With great success in the corporate event space delivering stellar performances to corporations such as **Vodacom, FNB, Maserati**, et al. – the guys have also more recently graced several festival stages around SA and have created more demand in that sphere for 2017.

With **SAMA Nominations** and **Metro FM Awards** between them, they have created a strong following and these three musical talents combine to form a dynamic and thoroughly enjoyable unit. No venue is too big to be intimate or too small to be fun when the atmosphere, the energy and above all, the music is, well, just right.

“

Last but not least, (Thank you) to the Black Ties and their band For their five star, premium delivery. This was history in the making for us, as according to a few staff members that have been with BP for a few years, this was the first time that they got such a crowd dancing. The energy, presence, bespoke entertainment is memorable. And huge Thank you for not ruining Earth, wind and fire! They were fantastic.

”
